

## **Volunteer Complementary Therapist Job Spec:**

# **Complementary Therapies Volunteer**

Thank you for your interest in becoming a complementary therapy volunteer at South Bucks Hospice. This is a great opportunity to become a volunteer and support our Charity in its development and growth. The Complementary Therapy volunteer will play an important part in this, helping to provide some of the complementary therapies services that the hospice provides alongside our other hospice services.

We are looking for individuals qualified in complementary therapies to provide such therapies in support of the Hospice's Complementary Therapist.

## **Why Choose South Bucks Hospice?**

As a volunteer of a local charity, you can make a real difference to those in our community. Each year we help hundreds of people and we are looking to further expand our reach into the community and develop the services we provide, such as complementary therapy. As part of the South Bucks Hospice team, you will have the opportunity to meet new people and be part of a forward looking and inclusive team helping those who need our services in the community.

## **Who are we looking for?**

We are looking for individuals with a passion for our work and a desire to make a positive contribution as part of the South Bucks Hospice team. This is a wonderful opportunity to join a day hospice with big aspirations to grow our care services in the local community, increasing the reach of our service provision and making a real difference to the lives of those we care for. This is a volunteer role requiring a time commitment of minimum 3 hours per week and the successful candidate will have previous experience in working or volunteering in a similar role. They must also be qualified in the complementary therapy field they wish to volunteer for.

## **Complementary Therapies Volunteer Role Description**

The voluntary complementary therapist will:

- Support the Complementary Therapy Lead in providing complementary therapies for patients
- Provide basic housekeeping skills in working environments
- Have good time-keeping skills
- Provide organisational skills for appointment scheduling

- Have good communication skills
